Proposal Types

Arts in Education

Arts In Education project grants provide up to \$25,000 for projects that cultivate learning and artistic development for all students and teachers by promoting, encouraging, and supporting arts and culture as an integral part of education and lifelong learning for residents and visitors. This includes, but is not limited to:

- The learning and artistic development of pre-kindergarten through grade 12 students and teachers; or
- Initiatives and proposals that help applicants to work as individuals or partners to carry out community programs and school reform through the arts.

The Division supports the view that the arts build cultural understanding, mutual respect, and strong communities. Arts in Education projects accomplish this by bringing artists and cultural experiences directly into Florida schools, hospitals, nursing and eldercare facilities, senior centers, correctional facilities, community spaces, cultural facilities, and other organizations. The Division encourages the use of Florida-based artists whenever possible.

Funding Categories

There are **four** funding categories for Arts in Education Projects.

1. Artist Residency,
2. Arts Partnership,
3. Artist Performances on Tour and
4. Teaching Artists.

Artist Residency

Artist residencies place professional Florida artists in a variety of education and community settings. Services performed by resident artists may include:

- Teaching one or more aspects of their art form;
- Creating or performing works of art so that participants may observe and be a part of the creative process;
- Relating their art form to other curriculum areas or disciplines.

Residencies can change the way a community views a particular art form and the arts in general. Artists engage participants in making art in a mutually supportive, creative learning environment and participants explore self-expression and the role of the arts in society. This process encourages imaginative thinking, problem solving, goal setting, and teamwork.

All residencies should relate to:

- Core curriculum or Florida Standards Assessment at <http://www.cpalms.org/Public/> (for residencies targeted to pre-K through grade 12); or
- Community needs and goals (for residencies not targeted toward pre-K through grade 12. This includes colleges, universities, after school programs, and cultural and social/community service programs).

Activities

Artist residencies should include at least one (1) preliminary session with the artist(s) to discuss residency goals, scheduling, planning, objectives, requirements, etc. This session does not count towards the required contact hours. The artist should be paid for this session.

In addition to the preliminary session, residency activities may include the following:

1. An event that shares the core participants' work;
2. Arts-related professional development for staff, arts educators, administrators, and teachers (in-service workshops/institutes, seminars, etc.);
3. Related in-state field trip to a gallery, museum, concert, or performance for the core participants; and
4. An event that joins core participants, their family, and friends in hands-on arts activities.

Contact Hours

Residencies must have a minimum number of contact hours based on the grant amount requested. A contact hour is 60 minutes or one class period of hands-on activity with the artist. Residency days and weeks do not have to be consecutive. Use the table below to determine the required contact hours.

Minimum required contact hours by request.

Request Amount	Minimum Required Contact Hours
\$10,000 or less	at least 30
\$10,001 to \$15,000	at least 40
\$15,001 to \$20,000	at least 50
\$20,001 to \$25,000	at least 60

Residencies may exceed the minimum contact hours, as long as activities take place during the [grant period](#). Residency applications that do not show at least 30 contact hours will be deemed ineligible.

Arts Partnership

The Arts Partnership funding category provides up to \$25,000 to support projects that will advance arts education and the development of long-term partnerships through effective collaboration between community arts and cultural organizations, social service agencies, and educational entities.

Applicants may request up to \$25,000 for arts partnership projects that have completed planning and design work and are ready for implementation or expansion.

If proposals include computer, video, and technology equipment, applicants must show how technology equipment, systems, and programs are integrated into their specific arts education partnership.

Arts Partnership projects are not intended to fund the same project year after year, however panelists have the discretion to recommend funding for on-going projects.

Focus Areas

Focus areas for the Arts Partnership project may include the following:

1. School-based arts education;
2. Programming that integrates the arts into areas not usually associated with the arts such as:
 - non-arts curriculum;
 - school-to-work initiatives;
 - the criminal justice system;
 - the healthcare system;
 - community care for the elderly;
 - underserved populations; and
 - adult continuing education programs.
3. Programming that brings together different generations;
4. Arts and technology programming in music, visual arts, theatre, dance, media and/or literary arts; and
5. Community arts education.

Artist Performances on Tour

The Artist Performances on Tour Program provides funding to Florida-based performing artists for touring activities to underserved communities; touring activities include both a performance and an educational component. Target audiences are organizations and schools located within underserved counties (population of 75,000 or less), or an underserved organization in any county (see Underserved Designation.) All performances are accompanied by educational components. Touring activity must take place outside the home county of the applicant artist and within the state of Florida.

Most touring activities are presented to K-12 students, many of them in underpopulated counties with little exposure to live performance. It is for this reason that educational activities play such an important role. In addition to performance pieces, touring artists must offer a menu that includes master classes, lecture/demonstrations, workshops, hands-on activities, and residencies of varying length; these must be accompanied by study guides and other material to enrich the students' experience of the performance. For K-12 students, artists can also provide lesson plans that show correlation to specific Florida Standards. These can be found on the Florida Department of Education website at:

<http://www.fldoe.org/academics/standards/>. An excellent resource is at the CPALMS website at <http://www.cpalms.org/Public/>. For college, university, community, and adult audiences, artists must provide options for activities that enrich their experiences at performances.

Applicants are only required to have 50% match (cash or in-kind) for this category. There is no limit on the amount of in-kind that can be included in the proposal budget.

Basic Application Eligibility

All applicants must be solo professional artists or companies with full-time, paid artistic/program/managerial staff that compensate all artistic, program, design, technical, and managerial staff in accordance with applicable labor standards. For this program, artist duos and ensembles that are not incorporated as non-profit 501(c)(3) must apply in the name of the lead representative. (Example: If the two-person Alice and Jerry's Fabulous Beethoven Magic Act is not incorporated as a non-profit, then either Alice or Jerry must be the actual applicant; this is how grant payments will be directed.)

Solo artists must reside in Florida. For companies (more than one performer such as duos and ensembles), at least 50% of the artists must have their primary residence in Florida and the company's primary place of business must be located in Florida.

Applicants must be able to provide evidence of touring experience.

Required Attachments

- Work sample, audio or video. This selection should be 10 minutes long. The quality of the work sample is critical to the panel's evaluation of the application;
- Resumes of significant personnel;
- A list of recent tours (include city/county/state, venue, and audience impact numbers);
- Samples of study guides, materials, hand-outs, lesson plans, and other educational materials used in activities and residencies;
- A copy of the artist's standard touring contract with all riders; and
- A sample press kit and promotional materials.

Teaching Artists

Specific Cultural Project Grant Guidelines, eff. 4/2021
Chapter 1T-1.036(2), Florida Administrative Code

The Teaching Artists Program provides funding to Florida-based artists providing educational services in Florida public schools. Teaching Artists integrate the creative process into the classroom. As both artists, and educators, Teaching Artists bring their artistic disciplines into the classroom setting to help students gain a new perspective and develop skills by exploring their own creativity in a variety of artistic media. A Teaching Artist (artist educator) is a practicing professional artist with the complementary skills and sensibilities of an educator, who engages people in learning experiences in, through, and about the arts.

Teaching artists must provide lesson plans that show correlation to specific Florida Standards. These can be found on the Florida Department of Education website at:

<http://www.fldoe.org/academics/standards/>. An excellent resource is at the CPALMS website at <http://www.cpalms.org/Public/>. For college, university, community, and adult audiences, artists must provide options for activities that enrich their experiences at performances.

Applicants are only required to have 50% match (cash or in-kind) for this category. There is no limit on the amount of in-kind that can be included in the proposal budget.

Basic Application Eligibility

All applicants must be Florida professional artists and educators.

Applicants must be able to provide evidence of classroom experience.

Required Attachments

- Teaching Artists must provide samples of their artistic work. The quality of the work sample is critical to the panel's evaluation of the application;
- Resumes or CV
- A list of classroom experience (include city/county/state, venue, and audience impact numbers);

- **Museum** - organizations that are primarily educational and aesthetic with proposals focused on the applicant's collections and/or exhibits. This includes zoos, botanical gardens, arboretums, nature centers and aquariums.
 - Museums are encouraged but not required to participate in the American Alliance of Museums' Museum Assessment Program (MAP) and to pursue or maintain national accreditation through American Alliance of Museums (AAM), American Zoological Association (AZA), or Zoological Association of America (ZAA).
 - Museums may include but are not limited to the following:
 - Art Museums;

 - Youth and Children's Museums.
 - Non-museum organizations conducting visual art exhibitions should apply to the Visual Art discipline.
- **Music** - organizations that promote excellence in music performance and creation, includes both vocal and instrumental music. The Music discipline includes but is not limited to chamber or jazz ensembles, choral groups, community bands, orchestras, opera, and world music ensembles. Producers of musical theatre should submit their application to the appropriate Theatre discipline (professional or community). Presenting organizations should apply to the Presenter discipline.
- **Presenter** – organizations that enter into agreements to provide performances or other cultural activities. The organization generally does not create, rehearse, cast, or have artistic control over the performance or activity.
 - Applicants producing, rather than presenting, should apply to the appropriate discipline for their activities, such as Music, Theatre, Dance or Multidisciplinary.

If an organization is presenting and producing applicants should consider the percentage of their programming that is dedicated to presenting when deciding which discipline to apply to.

- **Theatre** disciplines support producing theatres and other organizations that promote excellence in theatre performance. Musical theatre can be included in this discipline.
 - Organizations producing opera should apply to the Music discipline. College and university theatre programs should apply to the Community Theatre discipline.
 - **Community Theatre** - producing community theatres. Community theatres should be very specific when describing how artists are compensated. Although it is assumed that most community theatres will not be compensating most actors, applicants should address whether or not technical staff (directors, designers) are compensated and if any actors receive financial compensation.
 - If a community theatre is in the process of becoming a professional house, the application should describe where the applicant is in the transition and when the applicant expects to be offering full compensation to artistic staff.
 - **Professional Theatre** - The Professional Theatre discipline is for producing professional theatres, and also includes professional storytelling organizations.
 - Companies should be very specific when describing the financial compensation and/or benefits that are offered to artistic staff and actors. For information on minimum pay rates for actors and staff contact a theatrical union such as Actors Equity (<http://www.actorsequity.org>).
- **Traditional Arts** - organizations that preserve and present traditional arts from specific cultural groups in Florida. This includes performances, exhibitions, festivals, and other programming featuring traditional artists and their work. This discipline's goals are to support programming of traditional artists in a public venue and to foster recognition and awareness of traditional arts. (for more information, see Traditional Arts under definitions)
 - Note: The Traditional Arts discipline is NOT intended for programming that focuses primarily on the following activities: research for scholarly purpose only; historical presentations; re-creations or re-enactments; cultural appropriation and revivalism, tourism, and contemporary studio crafts or reproductions.
- **Visual Arts** - for organizations that promote excellence in the visual arts through activities such as:
 - lectures;
 - publications;
 - exhibitions;
 - educational programs;
 - artist workshops; and
 - professional development for visual artists.

The discipline category of the application will determine which review panel will evaluate and score the application. Applicants should select the discipline that best fits their proposal. Applicants should consider whether they are presenting or producing the activity when choosing a discipline category.

Applicants that produce festivals should select the discipline category for the festival activity. For example, an organization producing a film festival should apply to the Media Arts discipline while a cultural festival that is producing music, visual art, and dance activities should apply to the Multidisciplinary category. For more information, contact a program manager (See [help](#)).

9. Remaining Operating Expenses (all other expenses not listed above)

Income:

1. Revenue: Admissions (income earned through ticket sales)
2. Revenue: Contracted Services (income earned through contracted services)
3. Revenue: Other (any other earned income)
4. Private Support: Corporate (funds from corporate entities)
5. Private Support: Foundation (funds from foundations)
6. Private Support: Other (funds from individuals)
7. Government Support: Federal (funds from federal entities)
8. Government Support: State/Regional (funds from regional entities)
9. Government Support: Local/County (funds from local or county government)
10. Applicant Cash (organization’s reserves, could be income from investments)

In-kind: Organizations are allowed to include some in-kind (donated goods and services) in their operating and proposal budget. To calculate the maximum allowed in-kind, look at your organization’s Total Cash Income (TCI) for the last fiscal year.

- If Total Cash Income (TCI) is \$150,000 or less, Total Operating Income (TOI) may not include more than 25% in-kind. Maximum allowable in-kind = Total Cash Income divided by 3.
- If Total Cash Income (TCI) is over \$150,000, Total Operating Income (TOI) may not include more than 10% in-kind. Maximum allowable in-kind = Total Cash Income divided by 9.

- **Exception** – Organizations that are located in REDI counties, or that are considered Underserved (rural, minority, and/or lacking in resources) and have an operating budget of less than \$150,000 are able to request a match waiver that allows for a 50% match that can be cash OR in-kind. Please contact Division staff for more information.

Request Amount

Specific Cultural Projects have a maximum request of \$25,000. Use the table below to find the maximum request amount. Proposal types and funding categories (levels) are described in detail in the Proposal Types section of the guidelines.

Proposal Type	Funding Category Maximum Request	
Arts In Education *	All	\$25,000
Discipline-Based	N/A	\$25,000
Underserved Cultural Community Development	Salary Assistance	\$25,000
	Capacity Building	\$5,000
	Consultant	\$5,000
Artist Performances on Tour	N/A	\$25,000
Artist Project	N/A	\$25,000

* **Note:** Arts In Education Residency projects have specific contact hour requirements based on the amount requested.

Grant Proposal Budget

The Proposal Budget expenses must equal the Proposal Budget Income.

Match Requirements

The Division requires that all grants are matched at a minimum of dollar/dollar except for organizations located in REDI counties or considered underserved (See [Exception](#)). This means that if your grant request is \$25,000, your organization would be expected to spend \$25,000 in cash from other non-state sources towards the project. This includes any allowable in-kind goods or services.

Entering the Proposal Budget

The proposal budget consists of an expense section and an income section.

The expense section has three columns:

1. Grant funds – these are the funds you are requesting from the state
2. Cash match – these are cash expenses that are expended from funds earned or raised by your organization
3. In-kind – this is the value of donated goods and services that are contributed to your organization

Using the same budget categories used in the operating budget, you will include the lines containing the expenses for your proposal budget. You may add as many line items as needed within the proposal budget. Expenses that are charged to the grant, will be listed in the grant funds column. Expenses that are paid for by your organization, will be placed in the cash match column. Any in-kind that you are crediting towards the project will be listed in the in-kind column. Please see the [in-kind](#) section of the Operating Budget for more information about how to calculate in-kind.

The income section has one column, cash match, in which you will account for the total amount of expenses in the cash match (middle) column of the expense section. The cash match column in the income section must equal the total of the cash match column in the expense section. You will use the categories used in the operating budget in order to indicate the source of these funds. Remember, you cannot match state funds with state funds.

Applicants to the Performances on Tour, Teaching Artists and Artist Project categories are only required to have 50% match (cash or in-kind) for this category. There is no limit on the amount of in-kind that can be included in the proposal budget.

Expenses – Allowable, Non-Allowable, and Match Only

Allowable Expenses

Only allowable expenses may be included in the proposal budget.

Allowable expenses must be:

1. directly related to the proposal;
2. specifically and clearly detailed in the proposal budget; and
3. incurred or paid within the 1-year Grant Period beginning on July 1 of the year of appropriation.

Any state grant funds expenditures that are not allowed may result in the request of the return of funds and could jeopardize future funding with the Division.

Specific Cultural Project Grant Guidelines, eff. 4/2021
Chapter 1T-1.036(2), Florida Administrative Code

Non-Allowable Expenses

Some expenses are not allowed in the proposal budget at all. Those include:

1. State funds from any source. This includes any income that comes from an appropriation of state funds or grants from the State of Florida;
2. Funds used as match for other Department of State grants;
3. Expenses incurred or obligated outside of the grant period;
4. Lobbying or attempting to influence federal, state, or local legislation;
5. Building, renovation, or remodeling of facilities;
6. Capital expenditures (includes acquisitions, building projects and renovations); **Exception:** Capital expenditures that are directly related to the proposal, such as exhibit construction or stage lighting, are allowed. Please contact a program manager with questions;
7. Costs associated with bad debts, contingencies (money set aside for *possible* expenses), fines and penalties, interest, taxes (does not include payroll taxes), depreciation, and other financial costs including bank fees and charges and credit card fees;
8. Private entertainment;
9. Food and beverages;
10. Plaques, awards, and scholarships;

12. Re-granting;
13. Contributions and donations;
14. Mortgage payments; and
15. Payments to current Department of State employees.

Match Only Expenses

Some expenses can only be made with matching funds, and therefore should only be listed in the cash match (middle) column. No state funds may be used towards operational or indirect/overhead costs which include, but are not limited to:

1. phone;
2. utilities;
3. office supplies;
4. equipment costing over \$1,000;
5. property improvements;

- 6. fixtures;
- 7. building maintenance;
- 8. travel
- 9. space rental.

Review Criteria

All applications will be evaluated and scored using the following three criteria:

1. Quality of Offerings (up to 35 points);
2. Impact (up to 35 points); and
3. Track Record (up to 30 points)

Quality of Offerings

Applicants must demonstrate the quality of their offerings in all aspects of the proposal. Panelists will evaluate this criteria using the responses to questions related to the following information:

- Applicant Mission Statement or Artist Statement;
- Project Description;
- Partnerships and Collaborations;
- Project Evaluation Plan; and
- Required Attachments and Support Materials and/or work samples (see [Support Materials](#) for examples)

(Up to 35 points)

Impact

Applicants must demonstrate the expected impact of the proposal through diversity, equitability, inclusivity and accessibility. Panelists will evaluate this criteria using the following information:

- Estimated number of individuals benefiting, youth benefiting, elders benefiting, and artists participating;
- Estimated number of events and opportunities;
- Location and Reach of project;
- Project Impact(organization's economic impact and education and outreach);
- Marketing and Promotion;
- Diversity, Equity and Inclusion considerations; and

Specific Cultural Project Grant Guidelines, eff. 4/2021
Chapter 1T-1.036(2), Florida Administrative Code

- Physical as well as socioeconomic and geographic accessibility of facilities and programming.

(Up to 35 points)

Track Record

This criterion covers administration, planning, budgets and evaluation. Panelists will evaluate this criteria using the following information:

- Project Evaluation Plan;
- Organization's Fiscal Condition and Sustainability (does not apply to Teaching Artists, Artist Project or Artist Performances on Tour);
- Operating Budget (does not apply to Teaching Artists, Artist Project or Artist Performances on Tour); and
- Project Budget.

In addition panelists will also use the applicant's reporting history and compliance status as of the panel meeting (see noncompliance).

(Up to 30 points)

Scoring

Applications must earn a minimum average score of 80 points to be recommended for funding.

The maximum number of points an application can earn is 100. Panel members will individually score each application. The average of the individual panelists' scores will be rounded to three decimal places. When the fourth decimal is 5 or greater, the score will be rounded up in favor of the applicant. For example, 79.9995 will be rounded to 80 but 79.9993 would remain 79.999.

Review Process

The application review process includes the following:

1. Staff Review for eligibility;
2. Panel Review and scoring;
3. Florida Council on Arts and Culture recommendations; and
4. Secretary of State approval.

Staff Review

After the deadline has closed, Division staff will review all submitted applications for basic eligibility and application errors (incorrect request amount, non-allowable expenses, incomplete budget, etc.).

The most common errors are:

- Uploaded the Federal W-9 instead of the Florida Substitute W-9
- Too much in-kind included in the Operating Budget
- Non-allowable expenses included in the Proposal Budget
- Request Amount too High

Division staff will contact the grant contact listed in the application and allow them to correct any errors before the applications are sent to the panel for review. Applicants will have a limited window of opportunity to correct the application. Failure to correct application by requested deadline will result in your application being deemed ineligible. **After the application deadline, applications may only be amended at the request of Division staff. Only changes that are approved by the Division will be provided to the review panel.**

Panel Review

Each year, Division staff recruits hundreds of volunteers to serve as Peer Reviewers on our grant panels. Once eligibility is confirmed by Division staff, the applications will be made available to the review panel. Panelists must be professionals in their field. Panelists will be appointed by the Secretary of State each year based on the following considerations (in no particular order):

- panelist resume, knowledge, experience, and active involvement in the program, type or discipline being reviewed;
- panelist experience with the panel process;
- panelist availability;
- geographic representation;
- minority representation;
- conflicts of interest; and
- diverse aesthetic, institutional, and cultural viewpoints.

The Division is always seeking panelist nominations. Anyone may nominate a panelist (themselves or someone else) at any time by contacting a program manager (see [help](#)). Panelists may serve on a specific panel for up to 3 consecutive years. Panelists serve on a volunteer basis.

All panel members must comply with the Standards of Conduct for Public Officers and Employees of Agencies as set forth in section 112.313 *Florida Statutes*, and voting conflict of interest laws as set forth in sections 112.3143 and 286.012 *Florida Statutes*.

Panelists independently evaluate each application based on the [review criteria](#) detailed in these guidelines and are required to follow the Division's scoring instructions. After each panel member has evaluated the applications, there will be a public panel meeting to review, discuss, and score the applications. Panelists must voice their scores in the panel meeting. Only scores voiced during the panel meeting count towards the final average score for an application.

Panel Meetings

Panel meetings are open to the public, and anyone can participate by registering through the GoToMeeting links provided by the Division. Participation instructions will be emailed to applicants and posted on the Division's web site and in the online grant system. The Division strongly encourages applicants to participate in the grant panel meeting, although it is not required. Participating in the panel process can be very helpful for those that intend to apply for future grants.

Panel meetings are chaired by a member of the Florida Council on Arts and Culture. If a member of the Council is not available a Division staff member will serve as the panel Chair. Chairs do not vote on applications being reviewed.

A typical panel meeting will include the following:

1. Call to Order;
2. Introduction of Panelists and Staff;
3. Panel Instructions from the Chair;
4. Preliminary scoring of applications. For each application:
 - the Chair will announce the application number and applicant name;
 - applicants may provide a *brief* update on the application. Updates may only include new proposal information;
 - applicants will be permitted to respond to panelist questions;
 - each panelist will voice his or her score;
 - Division staff will calculate and voice the total points and the average panel score.
5. Public comment prior to panel consensus on scores:
 - During public comment, anyone (including applicants) may speak about the applications under consideration. After public comment, panelists may adjust their scores before the final vote to accept all scores.
6. Panel Recommendations;
7. General discussion from the panel (policies, procedures);

8. General comments from the public (limited to 3 minutes or at the Chair's discretion);
9. Closing remarks from the Chair; and
10. Adjournment.

Any information provided during the panel review that negatively affects an application may result in an application being deemed ineligible or a reduction in request amount.

Florida Council on Arts and Culture Review

After the panel meeting, the Division will report the panel recommendations to the Florida Council on Arts and Culture. The Council will amend panel recommendations based on new or existing information about the applicant or panel proceedings.

Information that will allow recalculation of the average score by the Council is:

- a panelist's conflict of interest; and
- scoring errors.

Information that will result in the Council recommending zero funding is:

- noncompliance with administrative requirements of previous grants;
- bankruptcy or other fiscal concerns; and
- changes in the applicant's staff that would impair implementation of the proposed grant activity.

Council Recommendations

All Specific Cultural Project applications recommended by the Council will be merged into a ranked list in accordance with section 265.286(3), *Florida Statutes*, using the following system.

1. Applications will be ranked by average score (highest to lowest);
2. Applications with a tied average score will be ranked using the average points scored on each criterion in the following order:
 1. Quality of Offerings;
 2. Impact; and
 3. Track Record.
3. If there is still a tie after the score for each criterion has been compared, the applications will be ordered by a sequence number assigned at application submission (lowest to highest)

This ranked list will be submitted to the Secretary of State for review and approval.

Funding

Specific Cultural Project Grant Guidelines, eff. 4/2021
Chapter 1T-1.036(2), Florida Administrative Code

Subject to Legislative appropriation, Specific Cultural Project recommendations approved by the Secretary of State will be funded top-down at full request until the appropriation is depleted.

The Department of State's Legislative Budget Request will include the Secretary of State's approved ranked list of Specific Cultural Project applications. The Legislature may use this list to appropriate an amount in accordance with section 265.286(3), *Florida Statutes*.

If grant funds are returned to the Division, the Division shall award such funds to the next grant organization on the Secretary's ranked list of approved applicants according to section 265.286(4), *Florida Statutes*.

Applicant Cash (\$) - Funds from the applicant's present and/or anticipated resources. For the Operating Budget purposes, this line-item represents withdrawal from savings. This line item is often used to "balance the budget" when expenses exceed other revenues. It shows the applicant's ability to "pay the bills" for all expense items. If there are excess revenues, reduce this line to zero or only the amount needed to balance the budget. Negative numbers cannot be used to balance the budget.

Authorized Official - Name of person with authority to legally obligate the Applicant.

Cash Reserves (\$) - For most organizations, this will be your savings account, other cash reserves or investments that are available to spend on general operations or programs. The "reserve" will usually increase when there are excess revenues for the year, and decrease if there was a deficit. This is more a year end accounting function than actual day to day activity.

Catalog of State Financial Assistance (CSFA) - A statewide compendium of state projects that provide financial assistance to nonstate entities. As the basic reference source for state projects, the primary purpose of the Catalog is to assist users with obtaining general information on state projects and identifying state projects that meet specific objectives. Community - The geographic area and/or constituents served by the applicant (for general program support requests) or by the proposal (for project requests).

Each deliverable must be connected with one or more activities identified and described in the Scope of Work. Deliverables, along with the Scope of Work, are included in the grant agreement. Financial consequences are tied to deliverables and each payment. Per Section 287.058, *Florida Statutes*, the Division is required to specify a reduction in grant funding that will be applied if the recipient fails to perform all activities outlined in the Scope of Work and/or fails to meet the deliverables outlined in the grant agreement.

Florida Accountability Contract Tracking System (FACTS) - The State of Florida's centralized online contract reporting system. All information pertaining to the grant agreement will be available on the FACTS system and viewable by the public. Traditional Arts - Traditional arts are traditional cultural expressions through which a community maintains and passes on a shared way of life. Traditional arts are rooted in and reflective of the cultural life of a community. Community members may share a common ethnic heritage, cultural mores, language, religion, occupation, or geographic region. These vital and constantly reinvigorated artistic traditions are shaped by values and standards of excellence that are passed from generation to generation, most often within family and community, through demonstration, conversation, and practice. Traditional art expressions are usually learned informally through a relative or the community and are maintained without formal teaching or academic training. Traditional arts are learned orally, or by observation and imitation, often through a master artist instructing an apprentice. Some traditional arts have a deep-rooted history with little change, while others are constantly evolving and adapting to their changing environment.

Florida Statutes Definition “. . . (6) Folklife means the traditional expressive culture shared within the various groups in Florida: familial, ethnic, occupational, religious, and regional. Expressive culture includes a wide range of creative and symbolic forms such as custom, belief, technical skill, language, literature, art, architecture, music, play, dance, drama, ritual, pageantry, and handicraft, which forms are generally learned orally, by imitation, or in performance and are maintained or perpetuated without formal instruction or institutional direction,” 267.021 FS.

The Traditional Arts discipline includes many forms and processes of expression including, but not limited to: performing traditions in music, dance, and drama; traditional storytelling and other verbal arts; traditional crafts; visual arts; and architecture.
